Re: January Task Order Status

Dear Mr. Kampa,

Here is a summary of the status of each of the current Task Orders.

- Task Order 23-001 – Quail Creek Acceptance
 - This project was requested to hold on further work as of November 8th, 2023.
- Task Order 23-003 – Sidewalk Improvements
 - The improvement plans have been completed and reviewed by the District. We are awaiting final approval from the District with dates to start the bidding process.

If there is any additional information needed, please let me know.

Sincerely,

Michael Halterman, PLS 8040
